Vision

● ● ● ● ●
"To Create Life Long Learners by Nurturing and Enriching their Inherent Abilities during Foundation Years"

Mission

To enable students to be lifelong learners by developing a learning attitude and interest for new learning in a conducive environment by nurturing and enriching inherent abilities like curiosity, imagination, creativity and skills along with social and moral values.

Founder Director: Dr. Alpa S. Kotadia

Dr Alpa Kotadia with her ingenious acumen and purpose driven hard work, has made her presence notable in the realm of education. Since starting her dream school in 2001, with her passion for innovative ideas, professionalism with empathy and compassion and a far sighted vision the school has grown and is now recognized as one of the best preschools in Vapi, under her able leadership.

Ms Alpa believes that each child is unique and if provided with the right environment, he or she will develop individual personality through learning and playing. As an educationist, though having 28 years of experience behind her, she is still eager to learn & improvise the school system. By visiting Queens Land University, Australia to understand their education system and through an educational tour to the USA to learn and understand the High Achieving schools there she could adopt and adapt suitable ideas in her school.

Her goal is to provide Education with care and fulfill the vision of LEAF : 'To Create Life Long Learners by Nurturing and Enriching their Inherent Abilities during Foundation Years'.

Her noble work brought several awards and recognition which includes,

- **Shiksha Bharti Award received from the worthy hands of Ms Kiran Bedi.**
- **Rashtriya Shikshak Samman award by Avantika Foundation.**
- **Excellence School Leadership Award for Gujarat by Mind Mingle in 2018.**
- **Skill and Education Eminence Award for Commitment and Contribution to the field of Education.**
- **Instructional Leadership award in 2021.**
- **School Leadership Icon Award 2021 By Private School and Children Welfare Association.**
- **Education Stalwart Award by Education Today 2021**
- **Under her able leadership the LEAF has acknowledged as 5 star rated schools in 2021 by CED (Center of Educational Development)**

LEAF, the Preschool has been founded with the aim of providing a world class education that cherishes the culture of the home country combined with an international perspective.

At the heart of the system is the determination to bring about harmony between classroom and other forms of learning that focus on the academic, social, physical, emotional and cultural development of a child, nurturing their natural curiosity to look beyond the obvious, pushing them to think creatively and uniting them in an environment of diverse learning. This new world of international, trans-disciplinary education is what makes our school like a Republic with its own framework of exploration of knowledge for children between the age of 10 months and 5+ years.

Learning at LEAF

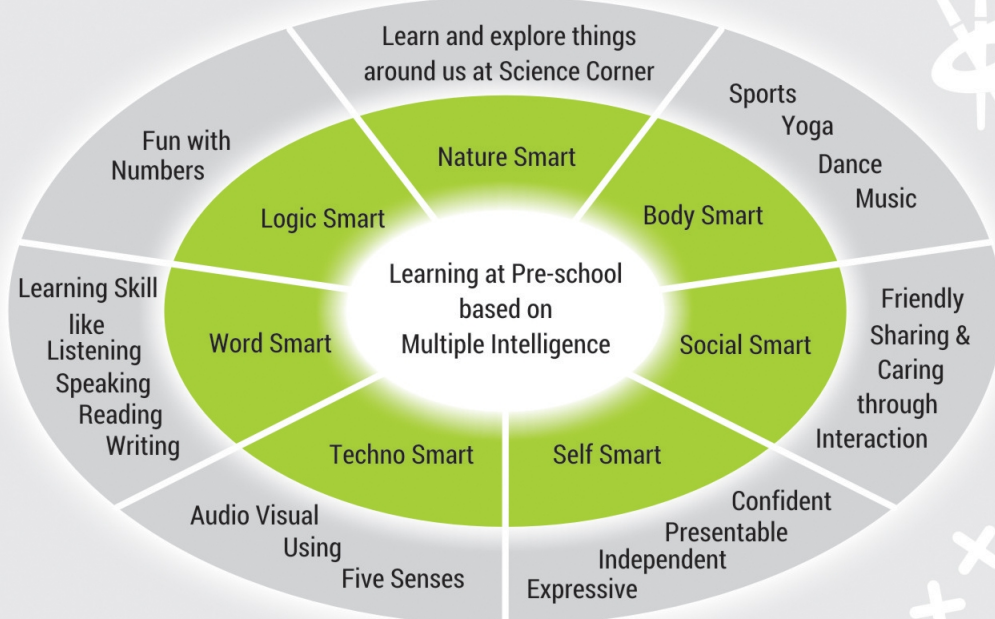

Each child is unique and has different strengths, interests and needs. Children develop skills at varying pace and have different learning styles. A specially designed child centric, theme based and age appropriate curriculum with innovative methods is followed to lay a strong foundation for the little ones and to prepare them for the primary Education.

Core Values At LEAF

We recognise and respect each child's worth, dignity, and uniqueness. As we lay the foundation and prepare them for a successful life journey, we focus on developing following character traits in them to grow and find their individual place in the world.

- 
- Critical thinking
 - Respect
 - Love
 - Self-management
 - Individuality
 - Self-learning
 - Environmental awareness
 - Creativity
 - Enterprising nature
 - Teamwork
 - Empathy
 - Loyalty
 - Honesty

Admission Process

Admissions are open to all students through out the year.

Eligibility: as on June 1

Children at every age have different developmental needs, and it becomes our responsibility to observe and cater to the right developmental need at the right time.

Our Programmes:

1. Mother Toddler Programme (10 months to 1.5 years)

Objective: To involve mother at every step of fun filled learning through games and activities. Enjoy Motherhood.

Time: 11:30 am to 1:00 pm. (3 days in a week)

2. Play Group: (2+ years)

Objective: To provide a safe and joyful environment for children to play and learn, develop social and motor skills engaging them with toys and activities.

Time: 9:00 am to 11:00 am Monday to Friday.

3. Nursery: (3 + years.)

Objective: To ensure children grow in an environment where their physical, emotional and social skills are developed together with pre writing and oral skills to prepare them for Kinder Garten Education.

Time: 8 :45 am to 12:15 pm Monday to Friday.

4. Jr. KG: (4 + years)

Objective: To introduce children to foundational Literacy and Numeracy through play way, hands on and interactive methods. Develop basic knowledge of 21st century skills.

Time: 8:45 am to 12:15 pm Monday to Friday.

5. Sr.KG: (5 + years)

Objective: To strengthen the basic learning through structured teaching learning practices , develop three domains of learning (Cognitive, Affective, Psychomotor) and inculcate values and life skills.

Time: 8:45 am to 12:15 pm Monday to Friday.

Here minds are moulded into Wonders

Defining the aim of education, Gurudev Rabindranath Tagore said, "The fundamental purpose of education is not only to enrich ourselves through knowledge but also to establish the bond of love & friendship between man & man." With this aim of molding & structuring the raw minds, 'LEAF' has been striving years after years.
